

PIP UPDATES (August 29, 2008)

- The September 4, 2008 Statewide EPSDT PIP Webinar Training has been cancelled. These meetings will resume after the Information Notice is completed and distributed.
- Information Notice: The Information Notice will provide direction for the MHPs in the implementation of the Statewide EPSDT PIP. The Notice is going through an analysis by the Design and Implementation Group as well a DMH internal review process. It should be distributed to the MHPs within the next two weeks.
- Key Questions: This document provides suggested areas for discussion between MHPs, providers and stakeholders to assist in the development of individual MHP's study question for the Statewide EPSDT PIP. This document will be posted on the PIP website the first week of September 2008 and will continue to be updated.
- Upon completion of the Information Notice, the EPSDT Design and Implementation Group will enter into the Technical Assistance Group (TAG) process.
- The next Design and Implementation Group meeting is tentatively set for Monday, September 8, 2008.
- The following DMH website provides background and ongoing information on the EPSDT PIP:
